01 PROFILE

Lawyer and founder building AI-native legal services. Founder of *Zenty*, an AI-native company formation platform, and Head of Legal Tech & AI Implementation at Giró Szász és Társai, where a firm-wide AI transformation cut manual processing across core practice groups by over 80%. Certified by Anthropic and Google; builds production legal software himself. Co-Founder of Corvin Strategies, a transatlantic advisory firm. World Champion, HSF Competition Law Moot.

02 SELECTED AI WORK

PRODUCT · 2026

Zenty platform

Company formation end to end: founder dashboard, lawyer admin, attorney countersignature and remote identity verification.

LEGAL OPERATIONS · 2025

Law-firm AI transformation

LLM tools and document automation across core practice groups at Giró Szász; manual processing time down by over 80%.

MACHINE LEARNING

TEÁOR'25 classifier

Retrieval-augmented pipeline that maps a founder's business description to Hungarian activity codes.

PRODUCT · 2025

EuropeRoots

Case management for EU citizenship by descent: Next.js, Airtable CRM, Stripe and automated document generation.

03 EXPERIENCE

Founder

2026 – Present

ZENTY (ZENTY.HU) · BUDAPEST

- Founded an AI-native company formation platform that takes founders from idea to a registered Hungarian limited company (Kft.) entirely online, with attorney countersignature and court filing inside the product.
- Designed and built the product end to end on Next.js, Supabase (PostgreSQL with row-level security), Stripe and Vercel, including automated document generation and remote identity verification.
- Delivers AI training and implementation programmes for law firms under the Zenty brand.

Chief Strategic Advisor, Head of Legal Tech & AI Implementation

2025 – Present

GIRÓ SZÁSZ ÉS TÁRSAI LAW PARTNERSHIP · BUDAPEST

- Led a firm-wide AI transformation, deploying large-language-model tools and intelligent document automation that reduced manual processing time across core practice groups by over 80%.
- Designed automated pipelines for contract drafting and compliance review, integrated with the firm's practice management systems to shorten deal cycles.
- Built the international business development strategy and redesigned organisational structures and processes.

03 EXPERIENCE, CONTINUED

Executive Director & Co-Founder
2025 – Present

CORVIN STRATEGIES (CORVINSTRATEGIES.COM) · BUDAPEST & WASHINGTON, D.C.

- Co-founded a transatlantic advisory firm with Dr. Magor Ernyei, former Deputy Chief of Mission at the Hungarian Embassy in Washington, D.C.; engagements span AI implementation, market entry and government affairs.
- Architects AI implementation and workflow automation mandates for regulated-sector clients.
- Founded EuropeRoots (europeroots.com), a tech-enabled platform guiding U.S. citizens of Hungarian descent to EU citizenship; onboarded its first clients after launch.

Principal Advisor, Director of EU Project Operations
2021 – Present

OFFICE OF THE COMMISSIONER FOR FUNDAMENTAL RIGHTS OF HUNGARY · BUDAPEST

- Led the digital optimisation of complaint management, introducing automated intake and tracking across five regional offices and shortening resolution times.
- Directed the bid for and execution of a €640,000 FRANET national monitoring contract awarded by the EU Agency for Fundamental Rights (FRA), overseeing the proposal, regulatory compliance and multi-stakeholder data reporting.
- Advised on the legal and operational establishment of five new territorial offices; represented the institution in EU and UN working groups.

Senior Advisor, International Strategy
2021 – 2023

NATIONAL UNIVERSITY OF PUBLIC SERVICE (NKE) · OFFICE OF THE RECTOR

- Built strategic partnerships with international universities and think tanks and coordinated international academic conferences.

04 INSTITUTION BUILDING

Co-Founder, Hungarian–American Lawyers Association (HALA)

- A professional association bridging Hungarian and American legal communities, founded in partnership with the Rector of the National University of Public Service: transatlantic exchange, mentorship and joint programming.

Vice President & Founder, Tibor Bodor Cultural Association

- Led the digitisation of a 9,000+ hour audiobook archive and established the Tibor Bodor Audiobook Library with the Hungarian Federation of the Blind and Partially Sighted.

Advisor, AURUM Foundation

- Assisted the President of the Constitutional Court of Hungary in designing the foundation and its merit-based scholarship system for law students.

05 FILM

Parallel Lines — writer, director and composer
2026

- Dialogue-free AI short film set in Budapest at night, built with image and video generation models, with an original soundtrack. A Zenty Studios production. Official Selection, Bali International AI Film Festival 2026.
